

NEW BY MULTIPLEX

THE COMPANY THAT BROUGHT YOU ELAPOR!

TURN & BURN with the Electric Ducted Fan **TWISTER** from Multiplex! Smooth high speed flying, Jet style aerobatics and possibly the best low speed characteristics of any Ducted Fan ever. The TWISTER promises to impress and become the envy of every flying field.

- ✓ Includes DUCTED FAN UNIT and BRUSHLESS MOTOR assembled & balanced
- ✓ Larger than most EDFs & pushers! The Twister has a big presence in the sky
- ✓ Unparalleled durability with Multiplex's Elapor foam. Assembles with regular Hobby CA and will survive crashes that send balsa and composite planes to the scrap pile
- ✓ The best flying, best looking most economical EDF in its class
